Attachments: Draft - Induced seismicity Nov 26 2013 Rob's edits.docx

Susie – I read through page 30 (Glossary) and made suggested edits & comments. I did not read the appendices first to see if the Executive Summary and Report tracked those latest versions. (I know, my bad, especially since I suggested that Phil take that approach!)

Overall, it is a very readable document and I found it to be persuasive.

Hope that everyone has a great holiday!
